Health and Wellbeing

Emotion Works

This week there will be a chance to learn more about the **Green Cog**. The **Green Cog** helps us to think about behaviours linked to emotions. For example, when you're excited you might **cheer**, or when you're sad you might **sob**. There will be a choice of activities this week. One will ask you to be very active (and a bit crazy!) and make a wee video to share with your teacher, the other will be a sorting activity that you can do on paper or using an app on your iPad.

Outdoor Learning

Thank you for continued participation in Outdoor Learning, it is fantastic to see all your photos! This week the theme is local birds. Tasks offer the chance to learn more about local birds in the area and how we can all help them in the winter. The weekend (29th-31st Jan) is the RSPB's annual Garden Birdwatch so the tasks include the opportunity to take part in this and learn more about the work of the RSPB. Happy Birdwatching!

P.E.

This is the FINAL WEEK of the PE challenge, where you are encouraged to get outside and active once a day to log miles for your house! Remember you can walk, run, cycle or scoot. All miles handed in by 12pm on Friday will count!

Modern Foreign Languages

German

This week we will be starting to learn some colour words in German, there will be a short film and a page to colour.

Religious and Moral Education

There will be a video assembly this week for you to watch. A link for this will be provided to you on Seesaw by Friday morning. Mrs McQueen will address the whole school, including announcing the House Points winners for the week and the Star Pupil for each class.

Thank you for your support.

If you have any questions or concerns please do not hesitate to contact us.
