 <p>Health and Wellbeing</p>	<p>PE This week in PE we are going to be learning how to juggle! There are different levels of tasks to work through to help you get to the end result, focussing on eye-hand co-ordination, focus and concentration. Some research even shows improvement in academic ability - does that mean your class teachers can expect work of an even higher standard this week? I am looking forward to seeing some very entertaining videos!</p> <p>Outdoor Learning This week in Outdoor Learning we are going to be using some STEM skills (Science, Technology, Engineering and Maths). There are 3 tasks that explore different skills such as planning, adapting, asking questions and solving problems. We can't wait to see what you come up with.</p> <p><u>Link for Seesaw:</u> https://app.seesaw.me/pages/shared_activity?share_token=odrd0dlFQS6kIKcYVSamcg&prompt_id=prompt.40a9d05f-120a-4003-bb64-6e636a65aaa5</p> <p>Health and Wellbeing It has been lovely to see all the wonderful work you have been doing on the cogs. Some absolutely amazing ideas and creative ways to show what you have learned. This week we will learn about the Yellow Cog, this is the triggers cog so it really kick starts the way emotion works. We'd love to see any work you do so please send it to your teachers, and I am hoping to share what everyone has been doing with you on Seesaw soon.</p>
<p>Modern Foreign Languages</p> 	<p>We will be continuing to learn the names of the colours in German. Please continue to upload your videos and sound recordings.</p> <p>https://www.german-games.net/germantutorial?topic=Colours&level=primary</p>
<p>Religious and Moral Education</p>	<p>There will be a video assembly with Mrs McQueen this week for you to watch. A link for this will be provided to you on Seesaw by Friday morning. Mrs McQueen will address the whole school, including announcing the House Points winners for the week and the Star Pupil for each class.</p>

Thank you for your support.
