

From the sea,
... to the stars!

**Eyemouth Primary School ELC Hub
Remote Play and Learning Screen Free Days
18th and 19th February 2021**

Play is so important to optimal child development that it has been recognised by the United Nations as a basic right of every child under Article 31. Please let your child have free play, but here are some ideas of other screen free activities that will help your child to unplug, play, create, imagine, explore and have fun!

Nursery staff will be offline too on Thursday and Friday, so please do not post anything on Seesaw as we will be busy preparing learning for the term ahead.

We look forward to seeing you soon!

From the sea,
... to the stars!
