Dear Parents/Carers,

REMEMBRANCE DAY

Please check out our Facebook page to see all our pupils representing Eyemouth Primary School remembering the service and sacrifice of all those who have defended our freedom on Thursday 11th November 2021.

SAFETY CONCERNS

We would like to highlight some safety concerns which have been brought to our attention about school drop off/pick up times.

Children should come straight to school and not play in the car park outside the Council Contact Centre. Please do not park over the entrance to the Contact Centre. We would also like to remind parents/carers not to park in the Bus Lane.

Also for the Safeguarding of our pupils and all members of the community, the school gate on the main drive will be closed daily from 9.00am to 3.00pm this will come into effect on Monday 15th November. Parents, pupils and all visitors should come through the school playground to access the main entrance to the school.

FRIDAY BRUNCH

From next Friday 19th November we will revert to the plan that was in place prior to the October Holiday. This means the Hot Sandwich/Roll choices will not be available to Primary 1 to Primary 7 pupils, ELC will continue with hot choices. Children will once again receive their Friday Brunch in a bag to bring home at lunchtime. You can still send in a snack to cover your child(ren)s morning break.

Kind Regards,
Chris Reid
Headteacher
