

# Eyemouth Primary Curriculum Rationale (REFRESH 2022-23)

Our curriculum has been developed to outline our goals, aspirations and vision for the future. We want children to develop across the four capacities and all aspects of the Wellbeing Indicators to become **successful learners, confident individuals, effective contributors and responsible citizens.**

## Success Through Effort

Our Vision for Eyemouth Primary is from the sea to the stars, be the best you can be.

### Aims:

- Everyone is ready to welcome new opportunities in their learning and through wider experiences.
- Everyone will respect each other their diversity and their environment.
- Everyone will feel safe and supported in an inclusive environment.
- Everyone's health and well-being at Eyemouth Primary is our priority.

Our Curriculum is shaped by Curriculum for Excellence (and supported in the Early Years, by Pre-birth to Three and Building the Ambition); all curricular and subject areas- with a key focus on literacy, numeracy and health & wellbeing, inter-disciplinary learning, opportunities for personal achievement and the ethos and life of the school. These overarching areas shape the essence of our curriculum and work in unison with our view to '**be the best you can be**'. At the heart of this is our commitment to '**Getting it Right for Every Child and Family**'. This is illustrated through our Wellbeing Passports. Our core values **ready, respectful and safe alongside our vision and aims for the future have been created in consultation and collaboration with the full school community and guide our journey to success.**

**curricular areas-interdisciplinary learning -personal achievement - ethos and life of the school**

## Our Key Drivers

**raising attainment for all- continuous improvement-partnership working- leadership at all levels**

Our key drivers are underpinned by our desire to secure 'Excellence and Equity' for all of those at Eyemouth Primary School and Early Years Centre. It is our goal to motivate and inspire all learners to be the best they can be, to aim high and to be supported in their learning journey to continually improve and develop; raising attainment and achievement for all. We aspire to work in genuine partnership with families, our school and cluster colleagues and local community as well as wider partners; using a collaborative and collegiate approach to drive improvement. At the heart of our school community our pupils and families are our most important partners. Leadership opportunities are encouraged and developed for both pupils and staff. We have high expectations and aspirations for all; every child is championed to succeed.

Learning is designed on the basis of the Principles of Curriculum Design:

- Challenge and enjoyment
- Breadth
- Progression
- Depth
- Coherence
- Relevance
- Personalisation and choice

## Our Unique Qualities

We have many unique qualities at Eyemouth primary school, most significantly our local community and coastal location. We aim to make use of the local spaces including the school woods, our local beaches and community. Our skilled and experienced staff team work together, inspiring and supporting one another through collegiate and collaborative working, developing their own skills and ensuring lifelong learning that will impact positively on learning and teaching. We aim to embed a positive and nurturing ethos with a commitment to securing our children's rights and wellbeing. A creative, innovative curriculum that builds on our pupils' achievements and establishes a love of lifelong learning.

**our location- our staff team-our children- creativity and innovation sustained for life**
