Weekly Update **Friday 26th January 2024**

Dear Families,

We have had another busy week of learning and fun. Everyone had a lovely time celebrating Burns Day this week. It was lovely to see the children engaging in Scots learning and we all enjoyed a delicious Burns Lunch.

Curriculum Overviews

Curriculum Overviews outlining key learning for this term have been home this week and are also available on our website.

Parent Consultations

We will be holding Parent Consultation this term. These will take place in person. This will be an opportunity to meet with your child's class teacher and discuss their progress. These will take place on **Tuesday 26th March (3:30 – 6:30pm)** and **Wednesday 27th March. (3:30 – 6:30pm)**. Further information on how to book will follow at the beginning of March.

Showbie

We have now launched our Showbie learning platform with families. Letters with login instructions on how to access your child's Learning Portfolio and for your child's Class Group have been sent home today.

Further advice from Showbie on all things parent/carers related, can be found [here](#).

Showbie is a secure online learning platform where teachers and students can collaborate, celebrate success, empower learners, share content, and use educational apps to supplement in-class learning.

We will be using Showbie as a key method of reporting on your child's progress as well as communicating learning and class events. Guidance on how to access Showbie is attached to this week's update and by clicking the link below.
