

A PARTNER IN EYEMOUTH CLUSTER SCHOOLS

Weekly Update **Friday 22nd March 2024**

Dear Families,

Spring is in the air and despite the rather wet and windy weather it has been lovely to see some sunshine too. We are fast approaching the holidays with only 1 more week to go and we still have lots happening next week before the end of term.

Showbie

We have now launched our Showbie learning platform with families. Letters with login instructions on how to access your child's Learning Portfolio and for your child's Class Group have been sent home earlier in the term. We will be using Showbie as a key method of reporting on your child's progress as well as communicating learning and class events. We still have a number of parents and carers who have yet to sign up and access. Mrs Craig will be available during our Parent Consultations next week to offer support and assistance.

Further advice from Showbie on all things parent/carers related, can be found [here](#).

Guidance on how to access Showbie can be found by clicking the link below.

Borders Basketball Finals

Following their success at the area competition, our P7 Basketball team headed for Galashiels this week to compete in the Border Finals. The opposition were strong and the competition fierce! Our players really raised their game and showed some high level skills and teamwork to finish in 5th place. Their behaviour on and off the court was exemplary and commented on by the Basketball Scotland representative. Well done everyone, you have done yourselves and the school proud.

Reports

Reports detailing progress in your child's learning to date and next steps have been sent home this week. They will also be uploaded onto your child's Showbie Portfolio.
