

A PARTNER IN EYEMOUTH CLUSTER SCHOOLS

Weekly Update
Thursday 28th March 2024

Dear Families,

It is hard to believe I have reached the end of my first term here at Eyemouth. It has been a busy term with lots of fun learning and achievements. A huge thank you to everyone for their continued support of our school as we have worked together to ensure the best outcomes for our children. I wish you all a happy and relaxing holiday and look forward to welcoming our children back to school for our final term of the year.

Parent Consultations

It was lovely for class teachers to catch up with you this week to discuss your child's progress and next steps. If you were unable to attend an appointment, please contact the school office should you wish to discuss any aspect of your child's learning.

SBC Survey

In the Scottish Borders we carry out quality assurance processes to evaluate the quality of provision across all schools and settings. As part of this we want to gather the views of parents on their child's school or ELC setting.

Many thanks to all the parents who responded to this in February. We have now reopened the survey for those parents who have not managed to respond so far.

The link for the surveys are below:

We would really appreciate 10 minutes of your time to provide feedback on how school is for your child(ren). The survey will be open until Sunday the 31 March. You can complete one response for each of your children.

Showbie

We have now launched our Showbie learning platform with families. Letters with login instructions on how to access your child's Learning Portfolio and for your child's Class Group have been sent home earlier in the term. We will be using Showbie as a key method of reporting on your child's progress as well as communicating learning and class events. We still have a number of parents and carers who have yet to sign up and access.

Further advice from Showbie on all things parent/carers related, can be found [here](#).

Guidance on how to access Showbie can be found by clicking the link below.
