

Eyemouth Primary School

Welcome to Primary One

When you come in each day you will come through the wooden gate, say goodbye to your parent or carer and come into the playground.

Sometimes you will come in the main door. You might see some of the office staff, who will be busy working but will stop to say hello! Mr Maunder is our head teacher.

This is the playground where you will play and line up at playtime and lunchtime.

This is the cloakroom where you can hang your coats and bags.

We like wearing our school uniform. It makes us feel part of Eyemouth Primary School.

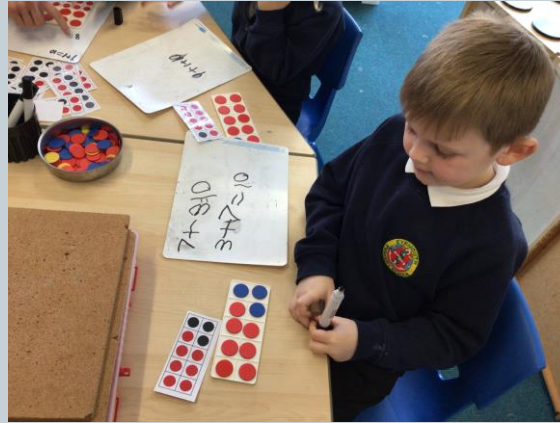

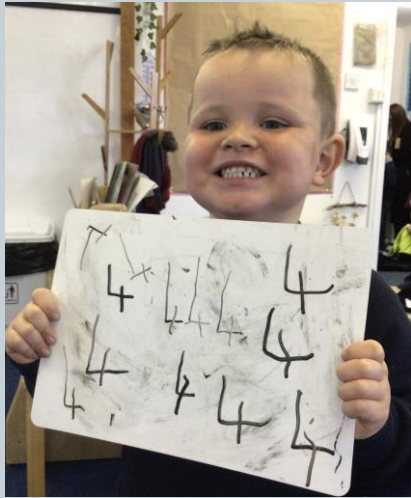

The toilets and wash basins are near the classrooms.

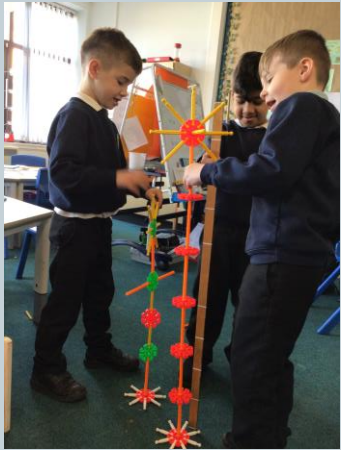

Learning is fun in Primary 1! We learn lots of different things in lots of active ways. We have different areas in the classroom.

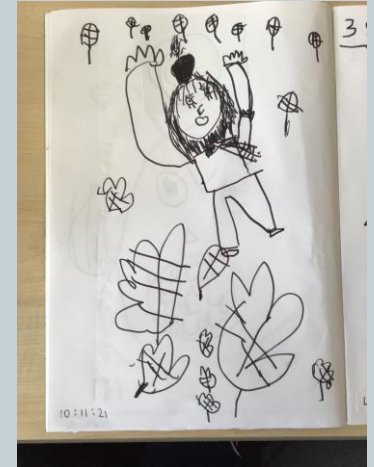

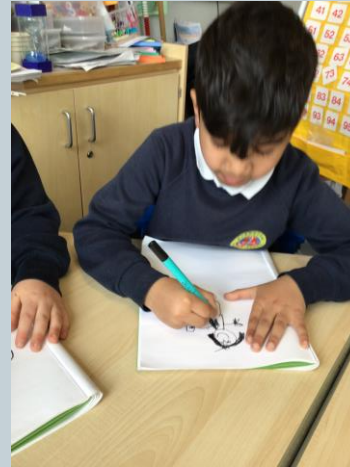

We explore numbers and maths in lots of different ways.

We can learn together and on our own.

We love to listen to and read stories and
make up our own.

We like to be creative and make things .

We have enjoyed learning science, technology and social studies.

Sometimes we take our learning outdoors.

Mrs Royan is our PE teacher.
Sometimes she takes us in the gym
hall and sometimes we are outside.

This is the dining room where you will eat your lunch. The cooks prepare some delicious meals. There is milk or water to drink. Our favourite meal is pizza!

We are looking forward to meeting you
and help you on your learning journey
through Eyemouth Primary School.

FROM THE SEA TO THE STARS
BE THE BEST YOU CAN BE
