Weekly Update **Friday 26th April 2024**

Dear Families,

It has been a busy week and it has been lovely to see our children motivated and engaged in their learning and settling into the new term. Class teachers have been busy planning lots of enriching learning and experiences for this term and

Enrichment at Eyemouth

Enrichment in schools refers to the provision of additional learning opportunities beyond the standard curriculum aimed at enhancing children's knowledge, skills and experiences. These enrichment activities can take various forms including extra-curricular programs, special projects, competitions, field trips, visitors in school and community events. Enrichment serves to challenge children, foster their talents and interests and promote holistic development. At Eyemouth Primary School we value enrichment across our school and the numerous benefits for our children. Further information is attached to this week's update and can also be found on our website.
