

From the sea
...to the stars!

Literacy

- In reading, we will get started again with our Read, Write Inc groups. The children will learn the sounds they need to make progress and will be practising sounding out and developing fluency.
- Reading Homework will be given regularly. This may include keywords to learn, a Read, Write Inc book or worksheet, a graded reader, e.g. Biff. Chip and Kipper or Reading Eggs activities.
- Repetition and practice at home are essential. Please bring your reading packet to school each day and sign the reading diary when completed each night.
- In writing we will be learning to write a recount using past tense. They will be continuing to use capital letters and full stops and begin to use describing words. Some children will be encouraged to use joining words to make longer sentences.

Voyage of Discovery

This term we will be going on a Voyage of Discovery to find out about 'An Eyemouth Timeline'.

We will be learning:

- about some of the special places in Eyemouth e.g. the church and the harbor.
- to compare life in the past with our own lives today, how places and things change
- to use artefacts e.g. photographs, museum objects to help us learn about the past.
- about the people who have been involved in developing Eyemouth
- learning about maps and directions.

Numeracy & Mathematics

- Revision of simple calculations, addition and subtraction strategies, both mental and written., talking about strategies.
- Numbers to 100 and for some 1000, counting forwards and backwards, recognition of numerals.
- Learning about different ways of collecting and displaying information about ourselves, e.g. charts and graphs.
- We will be looking at maps and giving simple directions.
- More information will be sent home later with ideas of maths games to do at home.

Curriculum Overview
Class: P3 Miss Walker and
Mrs Bruce
Block: 1 2 3 4

Important Information

In Primary 3 we are developing the basic literacy and numeracy building blocks. Repetition and practice are essential for success and mastery. You can help by:

- Reading with your child, bedtime stories, listening to them reading, joining the library and developing a love of stories.
- Praise your child for effort rather than for being 'clever'. This shows them that by working hard they can always improve.
- PE this year will be on a Thursday. Children should come changed for PE with their uniform in their bags. Please no jewellery and ensure long hair is tied back.

Health & Wellbeing

- Getting to know each other.
- Establishing Positive Relationships.
- Revisiting EPS Vision and Values as a Rights, Respecting School.
- Developing our Class Charter linked to UNCRC.
- Establish class and playground routines and friendships.

In P.E. this term the children will be working on:

- Improving their footwork and movement within drills and small sided games.
- Developing their spatial awareness, balance and control.
- Co-operation and Teamwork.

Showbie

You will find more information about some of our learning on our Showbie App. Please make sure you are signed up and have access to your child's account and our class group. Look out for pieces of work in your child's portfolio and photos of learning shared in the class group.
