

### Literacy

- We will be beginning to focus on group reading following Read Write Inc. Each child will have a reading book to take home.
- In listening and talking we aim to develop our confidence when sharing ideas. By presenting work in front of the class and giving positive, constructive feedback.
- In writing will be learning to use descriptive vocabulary to describe our local area, focusing on the key elements of sentence structure and adding adjectives to up-level our sentences.

### German

- We will be learning to count to 10 and everyday greetings and introductions.

### Numeracy & Mathematics

- To count forwards and backwards in 1's from any given number up to 1000.
- To count forwards and backwards in 10s up to 1000.
- We will use supports such as number lines to complete addition questions.
- We aim to identify and name a range of 2D shapes and describe their properties.
- We will be exploring which shapes fit together and creating a tile pattern.

### **Curriculum Overview**

**Class: P2/3 Miss Dewar & Mrs Knighton (Thurs)**

**Block: 1 2 3 4**

### Important Information

In Primary 2/3 we are continuing to develop the basic literacy and numeracy building blocks. Repetition and practice are essential for success and mastery. You can help by:

- Reading bedtime stories with your child, listening to them reading, joining the library and developing a love of stories.
- Praise your child for effort rather than for being 'clever'. This shows them that by working hard they can always improve.
- PE days will be Tuesday and Thursday. Please no jewellery and ensure that long hair is tied back.

### Health & Wellbeing

Building Resilience- unit 1: Be Resilient

Promoting mental, emotional, social and physical well being.

- Everyone goes through ups and downs in their life.
- We can learn to be resilient.
- Resilient people cope better with difficulties.
- I can bounce back and have the confidence to cope with change.

### PE

With Mrs Royan, the class will be developing their game skills, including:

- Developing movement skills, body control and spatial awareness.
- Continuing to follow instructions to keep themselves and other safe.
- Developing cooperation skills, working together as a class and in smaller teams

### Voyage of Discovery

#### **Our Place, Our Story**

We will be exploring our local area including:

- Significant buildings and local landmarks
- People who help us
- Exploring our surroundings and the benefits of living in Eyemouth, the history and recent developments.

#### Expressive arts

- We will be creating a class collage of our local area.
- We will be making 3D models of Eyemouth landmarks.
- We will be working on a photography project, taking pictures around our local area.

### Showbie
