From the sea ...to the stars!

Ready Safe Respectful

## Literacy

- We will continue to use Oxford Reading Tree reading scheme to support improving our sight vocabulary, common words and comprehension.
- In listening and talking we will develop our confidence through our drama work in rehearsals for the nativity
- In writing we will be working on recounting events and stories. We are working on our who, what, where, when to enhance our writing.
- Our recount will also be on retelling our class novel 'The Day I Fell Into A Fairy Tale'

## German

- We will be learning words to describe the weather in German.

## Numeracy & Mathematics

- We will continue to learn about 3D shapes, including exploring the way shapes fit together when tiling and nets of shapes.
- We will build confidence in recognising maths symbols -, + and = and solving calculations. We will use supports such as number lines and ten frames to help us.
- We will explore doubling and halving numbers and use our knowledge to complete number questions in the most efficient way (communicative law).

# Curriculum Overview
# Class: 2 Mr Crawford
# Block: 1 2 3 4

## Health & Wellbeing

We aim to build-

**PE with Mrs Royan**

- **Children will be working on their ball skills, including bouncing and catching, rolling and throwing, passing dribbling and moving.**
- **The class will also develop their determination and resilience to help the, achieve success.**
- **At the end of the term, learners will begin Scottish country dancing, working on their steps, formations, relationships with others and learning common Scottish dances.**

**Social and Emotional**

- We are become aware that we all experience a variety of thoughts and emotions that affect how we feel and behave and we are learning ways of managing them.

**Outdoor Learning**

- We will have outdoor learning on 9th and 16th of December. Please come to school dressed for outdoor learning with school shoes in their bag. A spare pair of socks is always recommended.

## Voyage of Discovery

**Materials**

- We will work in teams to complete STEM challenges, exploring properties and sources of materials.
- We will work on choosing appropriate materials to solve practical challenges.
- We will make and test predications about materials, including solids dissolving in water.
- We will be learning to describe electrical circuits and understanding they are a continuous loop of conducting materials.

**Expressive arts**

- We will be undertaking rehearsals for our Nativity this upcoming festive season

## Important Information

In Primary 2 we are continuing to develop the basics of literacy and numeracy. With continuous practice we are becoming strong independent learners. You can help by:

- Reading with your child, bedtime stories, listening to them reading, joining the library and developing a love of stories.
- Filling in your reading diary with any notes on their thought and your own.
- Completing the weekly R.W.I. speed sound that we are learning in class.
- PE days will be Tuesday and Thursday. On Tuesdays, please come in wearing PE kit.

## Showbie

Our class Showbie code is **ERNTAA**

Please download the app and follow our voyage.
