From the sea ...to the stars!

Literacy

Writing

We will be learning about Information writing this term. We'll look at how to structure written pieces and how to enhance descriptions and word choice. We'll use our class novel and class voyage as inspiration for a variety of writing.

Reading

We will enjoy a class novel throughout the term. We'll focus on key reading skills of skimming and scanning texts to answer different kinds of questions. Reading books will continue to be explored within class and brought home as homework. Children will also have time to read AR texts and take quizzes on completed books. Furthermore, the use of the school e-library will be encouraged for reading and audio books.

Listening and Talking

Children will be working on their collaborative group skills during this term in a number of tasks linked to their class voyage and focus on our school values and UNCRC.

Voyage of Discovery

October- Dec

Circuits, energy and batteries.

We will explore how different energy is produced, what it powers and how to build simple and more complex circuits.

SCN 2-09A

SCN 2-10a

Dec

World religions and their celebrations.

Numeracy & Mathematics

Numeracy

This term we'll be covering aspects of multiplication. This will include recapping previously covered concepts.

In Mathematics we'll investigate probability and patterns and relationships and the impact of mathematics in the real world.

We'll be regularly assigning tasks in the Magma platform to consolidate class lessons and retrieval. Children will also use TT Rockstars to revise and maintain their knowledge and speed of facts.

Curriculum Overview
Class: P6- Mrs Craig
Block: 1 (2) 3 4

Important Information

PE days: Monday and Wednesdays

Homework

Children will be given a spelling rule and common words on a Monday. Spelling homework should be completed and returned on a Friday.

Reading will be sent home on a Monday or Tuesday to be completed for Friday. Please sign homework diary each week. Please support your child with reading at home, through their group homework book and Accelerated Reading text. If your child uses the IDL or Reading Eggs websites in class, they may also access these activities at home, if they wish.

Children should continue to be encouraged to make use of Mathletics, TT Rockstars, Numbots and other numeracy games links via their Ipad, if they have time at home.

Health & Wellbeing

We will develop our Class Charters linked to UNCRC and exploring our rights and how these would look in our class and wider school environment. Whole school assemblies will link into this area too.

We'll focus this term on food, nutrition and balanced diets. With visits from Field to Fork we will have opportunities to taste and make different foods.

In P.E. the children will working on:

- Improving their knowledge of various invasion games and tactics used within these.
- Developing their rugby skills and applying these skills to game situations.
- They will also focus on their ability to work as part of a team, by co-operating well with others and giving positive effort.
- It is hoped that this block will culminate in the

Showbie

You will find more information about some of our learning on our Showbie App.
Please make sure you are signed up and have access to your child's account and our class group.
Look out for pieces of work in your child's portfolio and photos of learning shared in the class group.
