

Primary 1 Weekly Overview 18th -22nd January 2021
Context for Learning- Scotland/Eyemouth

**Social Studies
and Sciences**

This week we will be learning about The Eyemouth Fort. Why don't you get your wellies and coat on and take a walk up to visit the fort up beside the caravan park on the Fort Point. You can stand on the Kings Mount and get a great view all around you; try to imagine you are a soldier standing there.

Take a photograph of any local features. You can then send them to us via email or Seesaw.

Watch the video below. It shows you what the fort might have looked like.

Language

In our first lesson of this unit, we will listen to and join in with the story of 'Little Red Riding Hood' <https://classroom.thenational.academy/lessons/to-listen-and-join-in-with-a-story-6muk6c>

In lesson 2 , we will create a story map for the story and use it to retell the key events. <https://classroom.thenational.academy/lessons/to-map-and-speak-the-story-cngk2r>

In lesson 3, we will recap the story, adding actions to help us remember key events. <https://classroom.thenational.academy/lessons/to-speak-and-step-the-story-6dgkae>

In lesson 4 , we will deepen our understanding of the story through song. <https://classroom.thenational.academy/lessons/to-sing-a-story-74w68c>

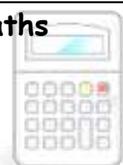

In lesson 5 , we will be going into role as the characters from the story and writing speech and thought bubbles.

<https://classroom.thenational.academy/lessons/to-write-speech-and-thought-bubbles-to-show-how-a-character-is-feeling-c8rp6c>

We will be practising our common words.

Maths

We are continuing to work with numbers to 20, counting forwards and backwards, counting amounts, working with a number line and practising numeral writing. There will be more activities and links on seesaw.

<https://www.topmarks.co.uk/ordering-and-sequencing/chinese-dragon-ordering>

We are continuing to revise addition to 10. Use objects you can find around the house, eg pennies, milk bottle tops etc to help you work out the calculations.

	<p>In the first lesson, we will explore time through the days of the week, months of the year and the seasons.</p> <p>https://classroom.thenational.academy/lessons/exploring-and-discussing-time-and-the-seasons-6mwp8c</p> <p>In lesson 2, we will explore the days of the week and the activities we may do on each day. https://classroom.thenational.academy/lessons/exploring-and-discussing-the-days-of-the-week-and-daily-events-6ngkgc</p> <p>In lesson 3, we will talk about and sequence the events you may do in a day as well as tell a time story.</p> <p>https://classroom.thenational.academy/lessons/using-everyday-language-to-talk-about-and-sequence-daily-events-60tkad</p> <p>In lesson 4, we will order events in nursery rhymes using ordinal language.</p> <p>https://classroom.thenational.academy/lessons/using-ordinal-language-when-sequencing-events-and-measure-short-periods-of-time-6nh6at</p> <p>In lesson 5, we will consolidate learning on time through reasoning questions.</p> <p>https://classroom.thenational.academy/lessons/consolidating-learning-64rpct</p>
--	---

<p>Expressive Arts</p> 	<p>This is a link to some yoga where you can get some relaxation and use your imagination. We will be developing our listening and following instructions. https://www.youtube.com/watch?v=6u5QoqgtT9w</p> <p>Music</p> <p>This link takes you to Mrs Jones' music channel. Here you will find some super music lessons to join in with each week. The first set of lessons are about Scottish music.</p> <p>https://www.youtube.com/channel/UC3ApBh5FKckAVbHAz3TCQOg</p>
---	---

<p>Technology</p> 	<p>In school we have loved watching Come Outside with Auntie Mabel, finding out how things are made. This is a link to a programme that tells you how things work. Choose one to watch then tell Mrs Sandersaon and Mrs O'Malley about it. https://www.bbc.co.uk/iplayer/episodes/b09yn3ly/maddies-do-you-know</p>
--	--

 <p>Health and Wellbeing</p>	<p><u>PE</u></p> <p>Pupils should continue to get active outside every day by participating in the Walk/Run/Cycle/Scoot challenge. Remember, every mile you do gets your house a little further round Scotland! Mrs. Royan is really enjoying getting your photos too, so keep sending those. Look out for updates on Seesaw.</p> <p><u>Emotion Works</u></p> <p>It was so great to see your amazing responses and ideas for last week's task. This week there will be the chance to think about the Orange Cog. This helps us learn and think about all the words there are for different emotions. Knowing words for emotions makes it easier to talk about how you feel.</p> <p><u>Outdoor Learning</u></p> <p>This week in your Outdoor Learning family tasks we are going to be use natural materials in a creative way. The theme is "back to basics - stick challenges". These activities encourage everyone in the family to get out and about looking for sticks and being creative with how they can be used. The two tasks this week are: 1. Creating a stick character 2. Den building (a large or mini den)</p>
<p>Modern Foreign Languages</p> 	<p>Hopefully you will have all signed up for Duolingo. The task this week is to watch a little video about saying hello in German and colouring in the German flag.</p>
<p>Religious and Moral Education</p>	<p>There will be a video assembly this week for you to watch. Details will follow regarding this.</p>

Thank you for your support.

If you have any questions or concerns please do not hesitate to contact us.
